TIPS & RESOURCES FOR VICTIM ADVOCACY IN QUARANTINE

1. Frederick CAC relies on <https://www.tendacademy.ca/balancing-act-pandemic/> . Check out this website for tips and trainings for working from home with parents and child victims during the pandemic

2. Conducting pre-FI call with family
3. Pre-connect with MDT partners to discuss interview or other services
4. BCAC's Spirituality Group is having one on one 20-30 min. sessions focused on a topic.
5. BCAC's girls group (8-12) are doing a Puberty/Period talk and VA/FA are making quarantine activity baskets for them.
6. BCAC is making a curriculum to teach English to our Spanish speaking families.
7. Make Arts and Craft care packages for the kids and families
8. BCAC has created a kids' activity sheet they can email their families; that allows families to click right on links for home activities).
9. Send out quarantine "thinking of you toiletries" with a quarantine card inside along with some Tide, Bounce and dish soap and a sticker that reads "Take a load off! Your team of advocates is thinking about you."
10. Sending out cards for Mother's Day, Father's Day or other holidays
11. Food and Utility Assistance
12. Self- Care sheets
13. Assisting families to help children with school work if they need it
14. Collect email addresses if that is the families' preference for communication.
15. Putting messages for school-aged children in school-based food distribution bags that let them know the CAC is thinking of them and available to them and their family
